Other requirements:

We are looking for passionate and diligent student interns for our new
exciting projects in local and international contexts. Candidates must have
strong conceptual and graphic talents, affinity with detailing, strong
modelmaking skills and confidence to work in a complex and international
environment. Candidates should be able to demonstrate an excellent
command of Adobe CC, Autocad and Sketchup.

Please enclose a portfolio to your application.

Work Offered

We offer the opportunity to work on all phases of architectural practice in close collaboration with the project leader. Depending on your affinities, you will
be enrolled in the concept design phases, including model making, 3D visualisations, collages and photography. Moreover, you may be tasked with more
technical and administrative duties, in relation to the detailing and construction site documentation.
